

## AVAILITY ENROLLMENT FORM

PAYER ID: 61101

PAYER NAME: HUMANA (ALL PAYERS)

### Enrollment Instructions

Humana Portal through Availity Payer Spaces provides you with visibility to your current setups, allows you the ability to make changes, and check the status of the enrollment. Availity's access to Payer Spaces is limited to view only, therefore any changes must be made by the provider. Please keep in mind the turnaround time for Enrollment will vary depending on if EFT and ERA is necessary. Below are a few tips to assist you with the enrollment process.

- In order to receive ERAs through Availity, you **must** be receiving your EFT directly from Humana.
- If you are receiving your payments via VCC (Virtual Credit Card) you must first contact ECHO at 1-888-483-6212 to opt out. You will then need to follow the instructions attached to add EFT/ERA
- If you are receiving your payments via EFT due to registering with CAQH you must first log into your CAQH account and cancel this request. You will then need to follow the instructions attached to add EFT/ERA
- If you are currently receiving your EFTs through Humana and have ERAs already setup you will only need to CHANGE ERA retrieval method. Please note- if you make any changes to the EFT it may delay the ERA approval time.

### Things to remember when completing your Enrollment

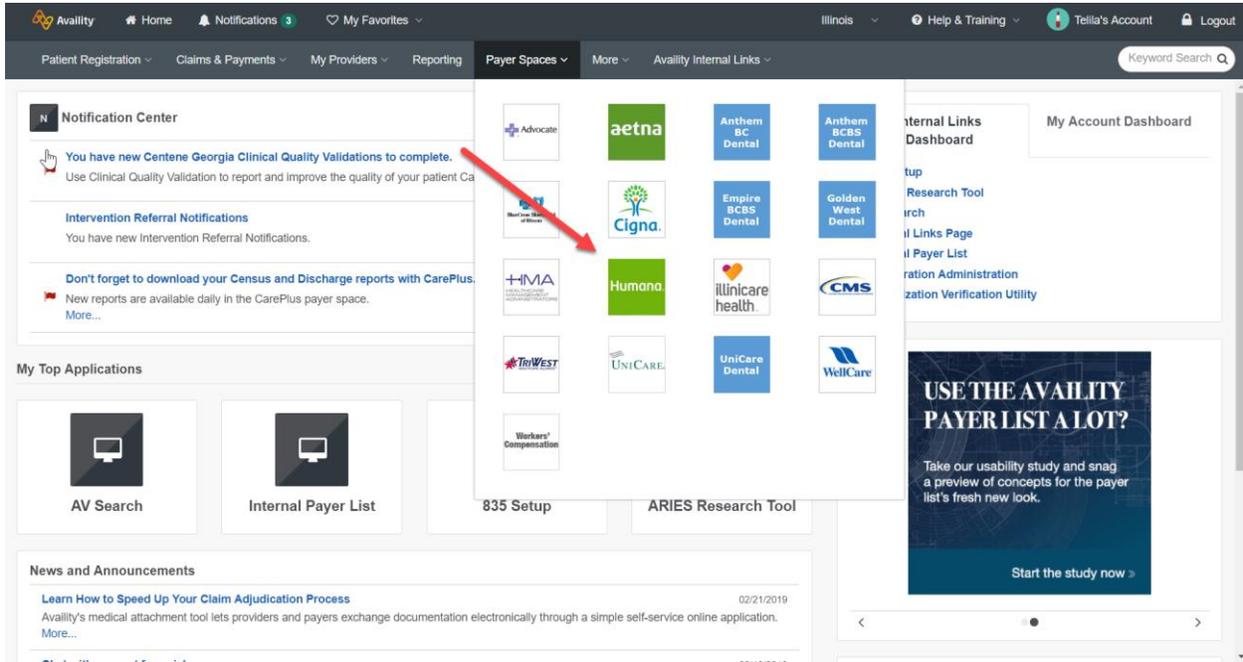

- 2 check verifications is required by Humana for validation purposes
- If you log into Payer Spaces and the ERA/EFT option is not available, you will need to contact Availity at 800-282-4548 to have your access modified.

**How to check enrollment status:**

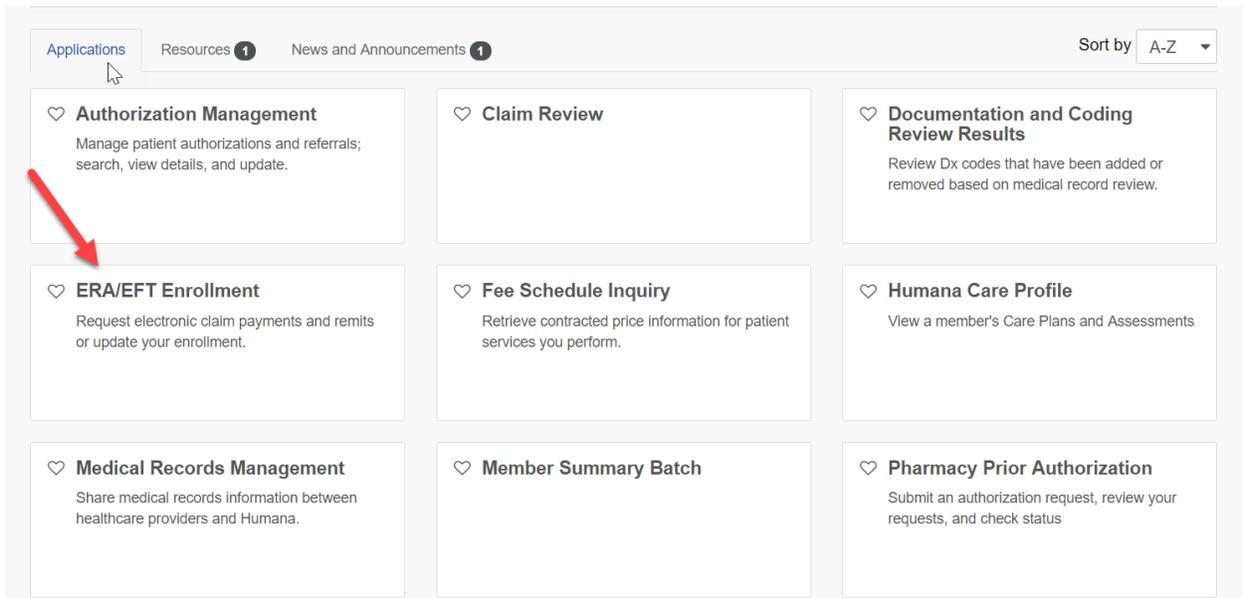

- Sign into the Availity Web Portal
- Select Payer Spaces, then Humana
- From the Application tab, select the ERA/EFT Enrollment app
- Search by tax ID, then search by the Request ID from the Confirmation page

Questions: Please contact Availity at 800-282-4548

To begin enrollment log into your **Availity account**. Select the tab **Payer Spaces**, then click on the **Humana** icon

Select the tab **Applications**, then click on **ERA/EFT Enrollment**

**Note: If you have not been verified by Humana, then you will need to go through the verification process. Before you can begin ERA/EFT enrollment you will need to complete the following steps.**

Select Unverified Organization(s), then click on the organization for ERA/EFT enrollment.

ERA/EFT Enrollment

**Humana.**

**i** This app currently supports changes for ERA/EFT enrollments originally set up through the Availity Portal. If your organization's ERA/EFT enrollment was originally set up using the Humana.com website, [click here](#) to access Humana's tool for managing your ERA/EFT setup.

Select a Tax ID to review existing enrollments, start a new request, or change current enrollment information.\*

Unverified Organization(s):

You will be required to provide 2 recent check/EFT payments.

**Note: The payment can be any 2 recent payments the selected organization has received from Humana.**

Please verify your organization

We take your security seriously and know that you do too. In response to recent industry activity, we are engaging in additional validation requirements. Please provide information from two recent paid Humana checks or EFT trace number issued within the last 180 days.

Organization  
Customer ID

Please provide the full Check Number or EFT Trace Number, including leading zeroes.  
For paper check validation, please use the "Issue Date" of the check.  
For EFT deposit validation, please use the "Expected Deposit Date" from your Humana remittance.

## Follow the instructions to Start, Change, or Cancel Enrollment

The screenshot shows the top navigation bar of the Availity portal with the following items: Availity logo, Home, Notifications (3), My Favorites, Illinois, Help & Training, Tella's Account, and Logout. Below the navigation bar are menu items: Patient Registration, Claims & Payments, My Providers, Reporting, Payer Spaces, More, and Availity Internal Links. A search bar is located on the right side of the navigation bar.

The main content area displays the breadcrumb path: Home > Humana > ERA/EFT Enrollment. Below this is the heading "Start, Change or Cancel Enrollment". A blue information box contains the text: "This app currently supports changes for ERA/EFT enrollments originally set up through the Availity Portal. If your organization's ERA/EFT enrollment was originally set up using the Humana.com website, [click here](#) to access Humana's tool for managing your ERA/EFT setup. Select a Tax ID to review existing enrollments, start a new request, or change current enrollment information." Below the information box are two dropdown menus: "Organization ID\*" with the placeholder "Select Organization" and "Tax ID\*" with the placeholder "Select TaxID". A green "Search" button is positioned below the Organization ID dropdown.

©Humana 2019

If the Tax ID is not linked to the Organization ID, you will have the option to add ERA/EFT

This screenshot shows the same interface as the previous one, but with specific data entered. The "Organization ID\*" dropdown is set to "TEST - Availity Test Org&#x21;&#x28;&#x29;" and the "Tax ID\*" dropdown is set to "010211501". The green "Search" button is visible below the Organization ID dropdown.

Below the search results area, a red arrow points to a green button labeled "Add ERA/EFT" with an information icon. Below this button is a red-bordered box containing the text: "This Tax Id has no current enrollments. Select Add ERA/EFT button to enroll." The footer of the page reads "©Humana 2019".

## Terms and conditions for electronic remittance advice (ERA) agreement and authorization

The provider and Humana agree to the following terms and conditions regarding electronic remittance advice (ERA):

1. By providing the electronic signature below, the provider, or an authorized representative of the provider, authorizes Humana to deliver remittance detail via the ANSI X12 Healthcare Claim Payment/Advice (835) format to the provider's designated organization for processing.
2. The person or entity signing this authorization represents and warrants that they have received all necessary approvals and authorizations to initiate this request.
3. The provider or an authorized representative of the provider will be responsible for initiating changes or corrections to information previously provided. Notification will be made in a timely manner to allow Humana to respond. Provider releases Humana from any liability - which may arise solely by reason of error, mistake or fraud - relating to the information provided on the authorization by the provider or an authorized representative of the provider.
4. Provider agrees to submit all claims for payment electronically to Humana and accept remittance detail via the ANSI X12 Healthcare Claim Payment/Advice (835) format from Humana.
5. Upon completion of ERA enrollment, all remittance details will be provided electronically, at which time paper remittance details will be discontinued. Humana will deliver the ERA within the HIPAA core-compliant operating rules guideline of three days.

## Terms and conditions for electronic funds transfer (EFT) agreement and authorization

The provider and Humana agree to the following terms and conditions regarding electronic funds transfer (EFT):

1. Payment for all claims submitted to Humana and its affiliates will be made through EFT, based on information from the provider or an authorized representative of the provider.
2. Humana will rely exclusively on information supplied by the provider, or an authorized representative of the provider.
3. The provider, or an authorized representative of the provider, will be responsible for initiating changes or corrections to information previously provided. Notification will be made in a timely manner to allow Humana to respond. Provider releases Humana from any liability - which may arise by reason of error, mistake or fraud - relating to the information provided on the authorization by the provider or an authorized representative of the provider.
4. Humana will make payment in accordance with, and be governed by, the National Automated Clearinghouse Association corporation trade payment rules. Humana's EFT process is governed by, and in accordance with, the laws, other than choice of law provision of any particular contract, of New York, including Article 4A of the Uniform Commercial Code as enacted by New York and amended from time to time.
5. Payment is initiated in accordance with the terms of the agreement. Except as provided for herein, the terms and conditions of this agreement neither enlarge nor diminish the rights and obligations of the parties within any applicable commercial agreement. Provider acknowledges that payment of claims has been made when the financial institution designated by the provider, or an authorized representative of the provider, has received or has control of the payment transaction. This generally will occur within two business days following initiation by Humana.
6. If Humana initiates payment on a non-banking day at Humana's originating bank, the funds transfer will occur the following day. In all cases, "banking day" is defined as the day on which both trading partners' banks will be available to transmit and receive fund transfers.
7. Humana has the right to adjust future payments should any payments previously made by Humana be determined to be duplicate, in excess of requirements, fraudulent or made in error.
8. Humana is responsible for payments under the terms of this agreement up to the point at which the provider's financial institution receives the payment from Humana or has control of the transaction. Responsibility for any loss after such time will be the provider's unless the loss is due to the negligence of Humana or Humana's originating bank.
9. Provider shall notify Humana immediately if payment is not received as described in Item 8 above. Humana shall have a reasonable time (not to exceed five business days) to make such payment.
10. Provider agrees to submit all claims for payment electronically to Humana and accept remittance details via the ANSI X12 Healthcare Claim Payment/Advice (835) format from Humana in order to receive payment of such claims by Humana electronically.
11. EFT payment transactions are reported with file format CCD+, which is the industry standard for EFT payments. The CCD+ format is a National Automated Clearinghouse Association (NACHA) ACH corporate payment format with single 80-character addendum record capability. The addendum record is used by the originator to provide additional information to the payment recipient about the payment. The format also is referenced in the ERA (835 data file). It is the responsibility of the provider to contact his/her financial institution if he/she would like to receive this information.
12. Either party may terminate this agreement. Humana may terminate this agreement if:
  - o The provider fails to submit claims electronically to Humana.
  - o The provider is unable to accept remittance details via the ANSI X12 Healthcare Claim Payment/Advice (835) format from Humana, according to this agreement.
  - o Humana is notified by the financial institution that the EFT could not be delivered due to invalid/closed account, etc.If the provider wishes to terminate this agreement, the provider, or an authorized representative of the provider, must notify Humana as follows:
  - o Sign into the Availity provider engagement portal at Availity.com.
  - o Access Humana's ERA/EFT enrollment app in "Payer Spaces."
  - o Complete the "Cancel ERA & EFT" transaction.

These terms and conditions do not supersede any provisions set forth in the applicable network participation agreement(s) between provider or provider's affiliate and Humana and/or its affiliates.

Please print and keep a copy of this agreement.

I have read the terms of this agreement and I understand and agree to them. By clicking "Accept" below, I provide my electronic signature.
